17-02 · Game ID	The Dog House: 190128; the card of the same name 290135 is accounted for separately.
17-03 · Card provider	Pragmatic Play.
17-04 · Developer	Pragmatic Play; for Big Bass Splash 1000 the card Pragmatic Play, the developer in the game Reel Kingdom — both roles are preserved.
17-05 · Modification	PL-GAME-01: card 190128; the alternative ID is not merged by name.
17-06 · Category	The Dog House — slot; crash, live and arcades are highlighted in separate comparisons.
17-07 · Brand association	The original cards and inventory belong to the saved catalog Fireball; additional game passports have their own verified scope PL.
17-08 · Account country	Poland for verified launches; the original English EUR frame remains a separate state.
17-09 · Visible in catalog	In PL-GAME-01 the card is visible in search; presence in the catalog does not replace the launch result.
17-10 · Opens from region	In the verified PL-GAME-01 the launch completed; the original block Seven Seven Pots And Perl for Sweden with code 8001 is preserved separately.
17-11 · Available in demo	The Dog House: a separate DEMO-01 with a conditional balance; live dealer bets are not available in the demo.
17-12 · Available for money	PL-GAME-01 uses the money branch without a bonus.
17-13 · Available in APK	AND-01: launch from APK 1.4.2.

17-15 · Available on desktop	WEB-01: Chrome and Firefox, Windows 11 Home.
17-16 · Eligible for bonus	For welcome a specific weight table applies; the presence of the game in Slots does not mean 100% credit.

Field	Value and scope
17-17 · Eligible for tournament	Participation in Cash & Chips requires being on the named list and bets from €0,40 or an acceptable equivalent; the mere fact of launching does not award tournament points.
17-18 · Number of unique games	The operator claims 3000+ games; this is a lower bound of the claim, not a recounted full live catalog.
17-19 · Number of variants	Variants are counted by Game ID; the number of cards with the same name is not equal to the number of unique game titles.
17-20 · Number of providers	53 provider — the list Casino Guru in its scope; the local inventory has a separate count by visible rows.
17-21 · Size of saved sample	The sizes of the saved inventory and comparison sets are calculated in the catalog section; tournament rows are not added again to the unique Game ID.
17-22 · Category counter	Category numbers are preserved from the original storefronts; their sum is not the total catalog due to overlaps.
17-23 · Number of unavailable launches	In confirmed series PL 0 failed launches out of 18; the original Swedish refusal is a separate region and version.
17-24 · Provider of the launched game	PL-GAME-01: Pragmatic Play; the name was not assigned based on title similarity.
17-25 · Game in the provider's selection	Each provider set is preserved and extended with substantive comparison rows; external analogues have their own studio column.
17-26 · Game launch result	PL-GAME-01: I opened the 190128 card, waited for the interface and completed 124 rounds; 248 PLN bets, 235,60 PLN payouts.

Game catalog / Search, filters and catalog usability

Field	Value and scope
18-01 · Exact title search	CAT-01: the query The Dog House returned the cards 190128 and 290135; 190128 was selected for the episode.
18-02 · Partial title search	CAT-02: the query Dog House kept both versions; the abbreviation was not used to mix results.
18-03 · Provider filter	CAT-03: the filter Pragmatic Play limited the list to the studio, then the search The Dog House selected the required ID.
18-04 · Genre filter	CAT-04: Slots excluded live and crash from the results.
18-05 · Combining filters	CAT-05: Pragmatic Play + Slots + Dog House; the result is cards of the selected studio and category.
18-06 · Reset filter	CAT-06: I reset the provider filter; the category Slots remained until a separate reset.
18-07 · Favorites	CAT-07: the card 190128 was added to My Games; reopening did not create a duplicate.
18-08 · Recently opened	CAT-08: after launching 190128, the game appeared in recently opened; history does not replace favorites.
18-09 · New games	New Games — an editorial catalog selection; the label date is not the same as the studio release date.
18-10 · Result order	In CAT-01 an exact title match is shown before a partial one; sorting is not used as an assessment of game quality.
18-11 · Loading the next page	In CAT-09 I loaded the next batch of cards while keeping the filters; I checked uniqueness by ID.
18-12 · Number of actions	CAT-01 — 3 actions; CAT-05 — 5 actions, including two filters.
18-13 · Task completion time	CAT-01 — 8,6 s; CAT-05 — 14,2 s; intervals from opening search to selecting a card.
18-14 · Erroneous result	CAT-10: a deliberate typo The Dgo House produced empty results; the correction restored the card, with no financial consequences.
